## PHOENIX INDUSTRIAL & SAFETY SUPPLIERS

### The only industrial and safety supplier you need

Phoenix Industrial & Safety Suppliers is an ISO-accredited manufacturer and supplier of a comprehensive range of protective gear and cleaning rags. Through our professional and technical expertise, we are able to partner with a wide array of companies, providing them with some of the most effective safety products currently on the market.

We manufacture cleaning rags, protective clothing, and industrial products for high-risk industries including engineering, construction, petrochemicals, security, and mining. Our retail store is also stocked with all of the safety products manufactured by Phoenix, as well as our full range of augmented safety and industrial products... right alongside our plant.

*"You can't risk jeopardising the safety of people and your valuable investments by not adhering to safety standards and regulations. At Phoenix, we provide high-risk industries with affordable solutions for their day-to-day safety needs."*

Mitchel Maniram, CEO of Phoenix Industrial

## Company Profile

### Our history

Phoenix Industrial & Safety Suppliers first opened its doors in 1995 as a home-based cleaning rag manufacturer. Since then, we've grown into a team of 200+ people that produces and supplies a broad variety of industrial and safety products.

### Our values

Phoenix Industrial & Safety Suppliers is built on values of honesty, reliability, service excellence, integrity, and competitive pricing. This foundation helps us to engage with all of our stakeholders and to play an active role in community social development programmes.

### Our roots

Phoenix Industrial is a fully compliant Level 3 BBBEE company with a staff complement that fairly represents the demographics of South Africa. We also follow an employment equity plan and strive to empower individuals who are disabled or previously disadvantaged.

### Our clients
